

YOUR LOCAL PARK UPDATE: METZGER PARK

Improved Park Pathways

In a survey conducted in 2023, the Metzger community ranked pathway improvements as a top priority project. With the support of the MPLID Advisory Board, staff have been working to implementing this project.

Over the last year, a landscape architecture firm developed a new path concept and presented at Advisory Board meetings. The project will improve existing paths and add new segments creating a walkable loop.

New Native Plants Garden

Washington County Parks has partnered with the Tualatin Soil and Water Conservation District (TSWCD) on a park beautification project. TSWCD and their contractors are creating a Native Plan Demonstration Garden with over 850 new plants!

The all-native plantings will add to the curb appeal, while promoting soil health and micro-ecosystems. Once complete, TSWCD will showcase the restored areas as an example on how residents can recreate this concept in their yards.

Save the Date - Annual Egg Hunt

Get your baskets ready! The annual Metzger Park Egg Hunt is scheduled for Saturday, April 19 at 10 a.m. and is open to youth 12 years and younger.

Help Shape The Future of Metzger Park

Did you know, the Metzger Park Local Improvement District has its own resident advisory board?

In partnership with Washington County Parks, the board recommends investment, operational, and maintenance priorities.

The board meets quarterly, and all meetings are open to the public. Learn more about how you can get involved at washcoparks.org/advisory-boards, and plan to join the next meeting on:
