New Pathway Now Open!

In May 2025, Washington County Parks completed a project to replace 50-year-old existing paths and add new paths to create a walkable loop at Metzger Park. The new and improved paths allow visitors to enjoy the park on foot or bike year-round.

This project was identified in a 2023 survey as the top priority of the Metzger community.

The path improvement project was funded by your Metzger Park Local Improvement District.

Help Shape the Future of Metzger Park

Did you know, the Metzger Park Local Improvement District has its own advisory board? The seven-member board represents the citizen perspective of the Metzger community and recommends investment projects, operational, and maintenance priorities specific to Metzger Park.

The board meets quarterly, and all meetings are open to the public. Learn more about how you can join the board or participate in meetings at washcoparks.org/advisory-boards.

Plan to join the next meeting on **October 27, 2025 at 7:00 p.m.**

The October agenda will include a presentation on a proposed increase to the maximum annual assessment of the Metzger Park Local Improvement District.

Patricia D. Whiting Rental Hall

Looking for a space to host your next gathering? Our cozy, indoor hall is available to rent year-round for every occasion. MPLID residents receive a discount rate, and can use the hall at no cost during certain times. Check out washcoparks.org/pdw-hall to learn more and book your next gathering.
